

Christa Castro

Affiliations Holy Cross Hospital
 Mogul Medical, Taos Ski Valley

Christa has been in clinical practice for 17 years as Emergency Room Physician Assistant. She graduated with a Bachelors of Science in General Science/ Psychology at Seattle University in 1994. In 2001 she completed her Masters of Science in Physician Assistant Studies at Pacific University in Oregon. She moved to Taos in 2001 and started working in the Emergency Room at Holy Cross Hospital, where she is currently the ER Advanced Practitioner Clinician. In the winter Christa also works at Mogul Medical Clinic at Taos Ski Valley. Christa has worked closely with EMS providers in the ER and at the ski clinic and has a good understanding of rural EMS. Her clinical Interests are Orthopedics and Emergency Medicine.

She loves to ski, ride her mountain bike, white water surf and ride centuries on her road bike.
